Subd to the Dewan

As desired by the Dewan, a list of Chattrams is subd.

The Chattram at Bherya appears to be an important one but all the same, the stopping of feeding seems necessary until the necessary repairs are executed.

There are no surplus funds at the disposal of this Chattram and it is not the practice to apply temple funds for Chattram purposes.

Enclosure No. —

His letter no 3 dated 10th July 1903 requesting that the repairs to the Amma Chattram at Bluruya in the Gundlupet Taluk have not yet been completed and that orders have been issued to the Amildar to complete them early

With reference to the above has the honour to observe that there has been

MGCPB—2,000—7-6-02

a great delay in the
completion of the repairs,
sanctioned so far ~~from~~
back as June 1901. The
Dy Commr in his Docket-
no 165 dated 14th April 1901,
proposed that the feeding
in the Chattram might be
~~closed~~ stopped for a period of
one year and the repairs
carried out with the funds which accrued therefrom.
This
proposal was accordingly
sanctioned in Govt Dr.
no 1327-8 dated 15th June 1901,
with the observation that the stoppage
~~the~~ feeding in the Chattram
should be for a period
of one year only, with
effect from the 1st July 1901. It is therefore disappointing to see
that the work has not yet
been completed although
two years have been
elapsed.

2. The Dy Commr is requested
to report at once for the
information of Government,

When the work will be actually completed and when the dredging will be resumed.

2. The stoppage of feeding cannot be continued for an indefinite period, to the injustice of the travelling public resorting to the Canteen. An early reply is requested
